

## LED Steering Committee Call, November 15, 2010

---

**Attending:** Tammy Coxen, *Greg Weeks*, Jeremy Wu, *Len Preston*, Colleen Flannery, *Tim Kestner*, *Rich Froeschle*, *Rick Waklawek*

**Not attending:** Matthew Graham

### March workshop planning

Patti and Chip visited the Ballston Hilton – meets our criteria, will be pursuing a contract with them.

Meeting will be March 9-10, steering committee will meet evening of the 8<sup>th</sup> and morning of the 11<sup>th</sup>.

Keynote– Andy Reamer on the national employment statistics system

Potentially another data landscape panel

John Haltiwanger – plenary or breakout, need to talk to John

### 4th quarter webinar

Rich has talked to parking guy, and he's very busy, couldn't commit. Rich will call again and double check.

Greg has a couple of thoughts, but nothing firm.

OTM5 webinar in 2011Q1

### Replacing our missing members

Still missing:

Mountain-Plains: CO, KS, MO, MT, UT, WY

Southeast: AL, FL, GA, KY, MS, NC, SC, TN

John Dorrer has also stepped down.

New England: CT, MA, ME, NH, RI, VT

Greg needs to send an email to all the LMI directors in all of those states, asking them if they or a manager/similar within their unit would be willing to serve. Target NH for New England. Tammy will follow up with Greg to track progress.

### Census updates

#### *Status of MOU*

Florida has expired and stopped sending in files. Have a call with Becky tomorrow afternoon to work out some concerns they have. Florida situation unusual – actually

two MOUs with two different partners. Tomorrow hope to expedite the signing of the MOU or put in place some kind of stopgap.

*Other*

Colleen, Jeremy and Rich will be presenting at the Texas Workforce conference.

Rich got a couple calls from some HR folks related to LED and turnover, was wondering if anyone had been doing anything in that sphere.

NAM called for data on employment by congressional districts.
